

## HOW TO ACCESS THE FIRST NEWS DIGITAL NEWSPAPER

### ON ANDROID AND iOS DEVICES

- 1 Download the 'First News' app from Google Play or the App Store
- 2 Tap the settings icon at the bottom of the screen and then select, 'Sign in'
- 3 Enter your school's First News Education ID and tap 'Sign in'
- 4 Select 'Paper' in the bottom of the screen to download and access the latest issue of First News

Your school's First News Education ID can be found in your welcome pack, as well as in the email you received containing details about your package.

*Remember, your subscription gives every pupil access to First News. Deploy the First News app to multiple devices using your MDM solution.*

### ON WEB BROWSERS

- 1 Visit [read.firstnews.co.uk/t/paper/](https://read.firstnews.co.uk/t/paper/) and click to view the newspaper; you will then be prompted to sign in. Hit 'Sign In' and enter your First News Education ID.
- 2 You only need to sign in once per device, so bookmark this page for future access.

Please do not share PDFs of the newspaper or your school's First News Education ID on public school websites or with anyone outside of your school. To use the newspaper for homework, you can use secure online classrooms to upload PDFs.

If you have any questions, please visit [help.firstnews.co.uk/knowledge](https://help.firstnews.co.uk/knowledge) or email [schools@firstnews.co.uk](mailto:schools@firstnews.co.uk). Alternatively, call (+44) 01371 851 898, weekdays 9.00am to 5.00pm

# FEATURES TO EXPLORE

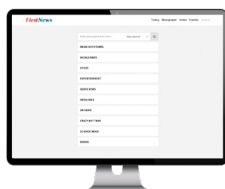

The digital newspaper comes with useful and time-saving features for the classroom, library and extra-curricular clubs – which can be accessed via the app or web browser.

## VIDEOS

With access to incredible videos covering a huge range of topics, every pupil is sure to find something that sparks their curiosity and fuels their

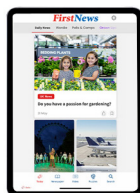

interests. From important world events and issues such as climate change, mental health and children's rights, to science, cooking, art and careers – start exploring now.

## SEARCH TOPICAL CONTENT

You can quickly and easily search the latest edition and a vast library of

past issues by keyword, to find articles for use across your lesson and homework plans, and in school newspaper or debate clubs. To do this, go to 'Settings' and click 'Search' on the left-hand side – search for your topic and you will see results based on recently published articles.

## DAILY NEWS FEED

Keep up-to-date with the latest news, every day! In addition to our weekly newspaper, your pupils will now have access to

each day's biggest news. This feature is perfect for topical debates and discussions, and to support your school's news-reading community.

## WORDIES AND PUZZLES

Play as a group or as a fun competition between pupils.

All puzzles can only be played once a

day on each device so depending on the number of devices your school uses, we recommend playing as a class and getting everyone involved.

## DOWNLOAD EDITIONS AS PDFs

To download editions of First News, make sure you are logged

in. Go to 'Newspaper' and find the issue you want to download. Click 'View', scroll down and click 'View as PDF'. This will open up the issue in a new browser for you to download it.
